I am requesting that you provide validation of this debt, the charge-off and or closed account is currently showing false on my credit report. I would like to have your office(s) seek further investigation to match the dates and debt(s) amounts and activities in which are provided onto my credit report.

It has been updated on my current credit report for your bureaus and I advise you do the same. In doing such, this reflection needs to be updated on my report(s).

If you do not comply with this request, I will immediately file a complaint with the Federal Trade Commission and the states Attorney General's office. Civil and criminal claims will be pursued.
